“As much as ideas, though, it’s been good to get people’s comments on what I’m doing and to know that other people are thinking of similar ideas and that I’m not just doing something alone, at a tangent to the direction of the university.”

James Shuttleworth
Deputy Head of School

“Still stunned by the whole @disrupt_learn #dmll experience. Been a long time since I felt so jazzed, or laughed so hard. I'll remember this.”
