Dudley Safeguarding People Partnership

Phew!

Improving outcomes for those at risk through a data-led approach with training and auditing in a Partnership environment

What does Dudley Safeguarding People Partnership do?

What are the Partnership’s training and auditing responsibilities?

How do you manage training and auditing?

How have you used the data to improve practise?

The Impact 2021-2022

Training

- **25% increase in knowledge and confidence of delegates**
- **21-22 - 5000 people trained**
  - 245% bookings increase pre pandemic
- **99.5% pass rate on eLearning**
- **52 courses built**
  - £312,000 saving in course creation
- **40 virtual events run**

Auditing

- **Audit submissions per year 150**
- **Increase Completions Year on Year 120%**
- **Return on investment 48%** of licence recouped from time savings
- **Time-saving internal admin time 4 weeks** per year
- **Response confidence up 250%**

Dudley Safeguarding People Partnership

Phew!

“What have you been able to implement that’s supported stakeholders?

“

Have you have had any additional benefits?

?

“How has this data-led approach improved outcomes for those at risk?

“

What are you planning next?

?

“What three things would you recommend to colleagues in the room to create the same impact of change?

Thank you
