CAMHS PARTICIPATION

A Padlet for Participation

Sussex Partnership NHS Foundation Trust

What is a ‘Padlet’?

Padlet is, essentially, an online noticeboard.

A Padlet for Participation

Sussex Partnership NHS Foundation Trust

How do we use the Padlet

- Blank slate to customise – background pictures based on seasons/events
- How-to guides for completing timesheets / what is participation / policies / training opportunities
- Updating participation opportunities
- More than one Padlet –
  - One for Experts by Experience who are already signed up
  - One for young people who are interested in becoming EbEs
  - One for the ChYPs Clinical Academic Group (CAG)

A Padlet for Participation

Sussex Partnership NHS Foundation Trust

Why do we use a Padlet?

- Very easy to use
- Low maintenance
- Upload / download documents
- Similar to social media with ‘like’ option on posts
- All information in one place

Young People's feedback on the Padlet

+

Not boring

Nice layout

Works better all-round

I like that we can use GIFs

It's trendy

−

Too much information!

I'd like it to be more interactive
