Phew!

The journey for Hampshire Safeguarding Children Partnership with learning through the pandemic and beyond, and how using outcomes has improved practice.

Hampshire Safeguarding Children Partnership

Before we start...

- Stand up if you've ever been on a training course
- Keep standing if you've ever organised training events
- Keep standing if you've been able to show the meaningful impact of that training

Phew!

“Tell us about HSCP’s training in 2019 and what you've been up to since.

Phew!

What has been the impact before using the Phew LMS vs after for both HSCP and your stakeholders?

Phew!

The impact - before and after

15 eLearning courses and 48 webinars

No eLearning pre-pandemic

Phew!

The overall impact

15,500 course attendees

5,000 eLearning courses taken

20% increased learning gain in knowledge using the Phew LMS

Phew!

“How have you been able to use the LMS to inform practice, and complete circular analysis?

Phew!

Phew!

How has the solution supported professionals in practise?

Phew!

As of this week

10,000 delegates

20,441 individual access

2,071 future bookings

Phew!

“What three things would you recommend to colleagues in the room to create the same impact of change?

Phew!

Any questions?

Phew!

Thank you for listening
