Providers that we support

Mayden's mission is to create digital technology that changes what's possible for clinicians and patients

We work with providers of all sizes and backgrounds

National investment in early support in schools

Early intervention and support in schools and community settings is key

The NHS Long Term Plan committed to **Mental Health Support Teams** (MHSTs) being rolled out to cover at least 20-25% of the country by 2023 - there are now more than 300 MHSTs working in over 3,000 schools

Findings of the Early Intervention Foundation review of the effectiveness of school-based interventions "***CBT interventions delivered by external professionals provide the strongest evidence of impact***"
