THE SUTTON PLAN

Vision and Strategic Priorities: What

A thriving Sutton for Everyone

- A better quality of life and opportunity for all residents
- Places underpinned by inclusive and sustainable growth
- A coherent system of health and care that is shaped around the needs of Sutton's residents

Reform principles: How

- Think Sutton first
- Provide seamless coordinated services
- Build strong communities
- Work across sectors
- Intervene early

Prototypes year one

Young families at risk or disadvantage	Lower income older people with long term health conditions	Victims or perpetrators of DV	The missing generation
• Early Help redesign • Fairness Commission	• Social Prescribing • Better Contacts • Health and Social Care integration	• Domestic Violence Transformation programme	• Opportunity Sutton

Enablers

- Place based leadership
- Place based analytics / Data sharing and intelligence
- Effective engagement

Principles for Success

1) Relationship

2) Ease of Communication

3) Mutual Respect
